Verse

1) My Jesus, look what you've done with a broken man.

My Jesus, look what you've done with a guiding hand.

Chorus

And I ask of You again, Stir the fire within.

Whisper your words to my heart, not my will but Yours, Lord Jesus.

2) My Jesus, see what You've brought me, a life of loss.

My Jesus, see what You've brought me to: the foot of the cross.

3) My Jesus, look on Your servant with merciful eyes.

My Jesus, look on Your servant as one who tries.
