Chorus

Bm7 G D A/C#
And You, by the blood of Your cross, You redeemed us.
Bm7 G D A/C#
And You, by the blood of Your cross, You redeemed us.

Verses

Bm7 D
1) Now the trials and temptation, could it be the world's salvation
G A
in your hands, in your hands this day.
Bm7 D
You have changed water into wine. It wasn't then but now it's your time.
G A
No greater love than what You will do.

Bm7 D
2) Now Your hour has come for glory. Full of hope and full of worry,
G A
everyone, everyone but You.
Bm7 D
Accepting the Father's will now, can't you see it's in the plan now,
G A
trust in Him. Trust in Him.

Bm7 D
3) Though You're broken, you are showing, Your love for everyone is growing
G A
everyday, all the way for me!
Bm7 D
Beaten, scorned, and mocked by Your friends, no one but the women who lend
G A
out their hands, out of love for You.

Bm7 D
4) Now we see Your resurrection, conquered death and opened heaven
G A
ever more! Ever more for me!
Bm7 D
We will see You with seraphim, in eternal Jerusalem
G A
No more tears. No more tears.
